

Amazon rise 'little comfort for striking workers'

GMB Union has responded to the pay announcement by Amazon today.

Rachel Fagan, GMB Organiser, said:

"This news will bring little comfort to the thousands of Amazon workers facing poverty pay, unsafe working conditions and workplace surveillance.

"Amazon has spent millions fighting their own workers over union rights and fair pay.

"GMB members have forced a pay rise from one of the world's most powerful corporations – but Amazon can and must do better.
