

Tata must step back from 'irreversible' closure

GMB has responded to reports Tata will close blast furnaces next week,

Charlotte Brumpton-Childs, GMB National Officer, said:

“This is a sad day for steel.

“Tata must step back from this irreversible decision and safeguard steelmaking assets.

“There’s a general election in days that could change so much.

“We know there is a future for steelmaking in South Wales. That future must be preserved.

"GMB's next actions will be decided by our members.
