

# Northern Ireland Civil Service workers to discuss pay deal

Northern Ireland Civil Service staff working across the Road Service, Forestry, Rivers Agency, Environment Agency and Fisheries will meet with GMB to discuss a new pay deal the union received today [Monday].

The offer includes a 3 per cent pay rise from August 2024 to August 2025, then 6 per cent from August 2025 to April 2026.

**Alan Perry, GMB Senior Organiser, said:**

"We are disappointed the Minister for Finance was unable to find any additional money.

"But we acknowledge the proposal around longer term stability for workers.

"GMB will now begin a series of consultation meetings with members to discuss in more detail, before we can move to a formal ballot.

"It is too early to say if the ballot would come with any recommendations from GMB."
