

Doosan Babcock workers to strike over 'worthless' offer

Members voted unanimously to strike in defence of their contracts

Dozens of members at Doosan Babcock in Tipton voted this Monday to strike over a 'worthless' offer from the construction engineering firm.

More than 90 per cent of staff voted for the strike, which will take place on November 2 and 3 from 8am to 12 noon.

Stuart Harrison, GMB Organiser, said:

"The message from our members is clear: you must value your skilled workers.

“Doosan Babcock need to work with GMB as we support our workers through the process.

“There’s a national shortage of skilled workers and the firm should ensure they’re the heart of the business, not just a commodity.”
