

Four Seasons Northern Ireland sale 'provides security'

GMB members have faced two very challenging years – now they can concentrate on care

GMB, the union for care workers in Northern Ireland, has responded to the sale of Four Seasons facilities to a new provider, Beaumont Homes.

Alan Perry, GMB Organiser, said:

“GMB welcomes this news on the transfer of the homes to new provider Beaumont Care Homes.

“This sale will provide much-needed security to residents and their families.

“Our members in these homes have faced uncertainty over the past two very challenging years.

“They never forget where they work are the homes of the people who live there.

“This security means they can now concentrate on providing the excellent care we know they deliver every day.”
