YES!

Vote YES to keep your voice

Vote YES to keep campaigning

Vote YES to keep making work better

The Political Fund is GMB's campaign fund that is used to fight for the issues that matter most to our members.

It allows us to fight for GMB members not just in the workplace, but wherever power lies – from council chambers to our Parliaments.

GMB is required by law to renew the members' mandate for our Political Fund every ten years.

Vote YES to keep our Political Fund and ensure GMB has a strong industrial voice, and a strong political one too.

Losing GMB's Political Fund would mean fighting employers with one hand tied behind our back.

Vote YES – keep our Political Fund.

“GMB's Political Fund is a vital tool for members in the fight to make work better. It gives us the power to campaign and be heard, and to force those in positions of power to sit up and listen.”

Garfield Hylton, Amazon Worker, Coventry

“Employers are always organising. They're never shy to approach Parliament with their shopping list of demands. We can't stay quiet whilst bad employers continue to shout.”

Mary McNaughton, ASDA Branch Secretary, Glasgow

“With Government refusing to negotiate, GMB members in the Ambulance Service met MPs and Ministers in the House of Commons to discuss pay. Without the Political Fund, this pivotal day would not have been possible.”

Dawn Turner, Ambulance Worker, Goole
